

# Oh My Gosh

## Man Like Me

Oh my gosh, oh my gosh  
Oh my gosh, oh my gosh  
Oh my gosh, oh my gosh  
Hey, you check it, I think it's time to wreck it  
So here I go again with the stuff, so let's test it  
    Cool like tha ice Vanilla here's the flava  
Freezin' up tha mic to hit ya with, so you can savor  
No slippin' nor stonin' gettin' straight to tha point.  
    Hit tha mad izm and light another joint  
    Tha easy like style is what I kick when  
    I'm kickin', no trippin', I'm splifflin'  
    So get a good wiff and get with tha style  
        That I'm using no guessin'  
So here's a quick lesson I got my Smith & Wesson  
    Listen up close and there will be no confusion  
        Now you're addicted to mentally abuse it  
        Word to tha mutha, I'm here to tear it up  
        And if ya can't get with it, I don't give a  
        So run and tell ya crew and tell 'em ICE is  
Near this here is for tha people the ICE is rated lethal  
    Here I come with tha nine in my hand  
It's time to wreck shop now tell me who's the man  
    Just like Ali I'm tha thriller in Manilla  
    Tearin' stuff up like my man godzilla  
    Makin' tha suckers drop when ya steppin'  
To my zone comin' straight up like my man Al Capone  
You try to cross me up I'll jump you like you was a checker  
    And like jerry Rice I'm into breakin' all records  
        Rollin' with my crew firm up a blunt  
My hands on tha pump bust you on beach front  
    In case you forgot I'm here to remind you  
    I'm chiller, chiller than the ice on Vanilla  
        Word, word to tha herb as you heard  
        I'm hittin' 3 pointers just like Larry Bird  
You can't touch this, welcome to tha hit list  
Try to play me out, you catch a big fist quick  
    Pop in ya eye, don't try to ask me why  
'Cause it's like that fool ya hangin' with tha ICE  
    'Cause it's cool and like I said this here's for

Tha people tha ICE is rated lethal  
It goes a 1 to tha 2 to tha 3 to tha 4  
The ICE be tha leader, so open up tha door  
Check it out, 'cuz what I'm all about is gettin'  
    Mad paid, 'cuz the green is real sticky  
    My stuff is kinda tricky, so listen up close  
And when ya ask tha ladies they love tha ICE tha most  
    So open up ya car and look inside here  
    And keep ya self in line you and please don't stare  
'Cuz cool is how I'm coolin' and there just isn't nuttin' to it  
    Don't ask me no questions, 'cuz you already kew  
    Now get with tha program and listen to tha style  
        So lend me an ear so I can get buckwild  
        Ya girly can't resist it so chill while I kick it  
        So bur a hootie mac so go ahead and twist it  
        My records on tha table, I'm droppin' it on tha  
Needle, this here is for tha people that ICE is rated lethal
