

# Just to Be With You

## Muddy Waters

On a ship that's made of paper  
Oh yeah, I will sail the seven seas  
Fight a shark with a toothpick  
Crawled home to you on my knee  
There ain't nothin' baby I wouldn't do, sugar  
Oh yeah baby, just to bring you home with me I would rise up with the devil  
Oh yeah, I would breathe smoke and fire  
Or say were I on a tightrope  
Walk a canyon on a wire  
Just to kiss your sweet lips, honey  
Oh yeah baby you know you're my desire If a shark bought off my leg  
Oh baby and the sea were turned to sand  
Turn my po' self over darlin  
Crawl home to you on my hands  
There ain't nothin' nothin' I wouldn't do baby  
Oh yeah, oh yeah baby, just to be with you Give up all of my money  
Whoa, oh baby, I'd sleep right down on the floor  
Call my mother-in-law honey  
Whoa, oh I'd work for you 'til I got sore  
I would do anything for you baby  
Oh yeah, oh yeah, just to get you home once more
