

# When It's Sleepy Time Down South

Jimmy Dean

Pale moon shinin' on the fields below  
Oaks are croonin' so soft and low  
No need tellin' 'cause I know  
It's sleepy time down southSoft wind blowin'  
To them pinewood trees  
Folks down there  
They live a life of theseWhen my mama falls on her knees  
It's sleepy time down south  
Steam boats on the river  
Keep a comin' and a goin'  
Splashin' the night awayHear the banjos ringin'  
Folks keep a singin'  
They dance till break of dayDear old south land  
With your dreamy song  
Take me back there  
That's where I belongOh, I'd love to be  
In my sweet mama's arms  
When it's sleepy time  
Sleepy time down south
