

She Bad (ft. Sja3)

Cameron Dallas

If you with it.
Late night's, no dress code
She stay fly, like jets go
Don't have no reasons
Ain't go no M.O
See her lifestyle, stay bankrolled
But she work like it ain't though
Yeah, she might get ratchet
But she know she bad though
She know she bad though
She know she bad Monday through Friday, she off in her zone
Come Friday night then she know that it's on
Call her girls and she rolling up
Hit the party it's going up
Shake that, work that
Move that, yeah
She a good girl, but you know she bad though
One time, two time
She can, oh yeah
She a good girl, you know she bad though Daddy's all delusional
Upscales, her usual
Bad chick, from The Valley
Need cash to be suitable, yeah yeah
He keeps her lavish but, he don't know her habits cause
She likes to party, yeah Shake that, work that
Move that, yeah
She a good girl, but you know she bad though
One time, two time
She can, oh yeah
She a good girl, you know she bad though
Just keep on shaking that thang, girl
Shaking that thang for me, yeah
Shaking that thang, girl
Just just keep on shaking that thang for me, yeah If you with it
You can get it
If you with it
Going up
Going up Going up
Going up Shake that, work that

Move that, yeah
She a good girl, but you know she bad though
One time, two time
She can, oh yeah
She a good girl, you know she bad though
