A Train to Nowhere (Re-recorded 2010)

Bad Boys Blue

A train to nowhere
I walk around and I tried to hide
Close your eyes, they're telling me good-byeI drive my car, hear the radio
Playing songs that go round and around in my mindWhy can't you believe that I'm right?
Why can't you realize there are feelings insideA train to nowhere that we are riding
We're riding over and over again
A train to nowhereAnd we are gliding
A way that never may happen again
A train to nowhereSo late at night when I want you home
You said no
I would like to stay aloneWhat have I done that you turn this way
What has happened to us
Now our love has goneWhy don't you believe in your heart
Why don't you agree to say sorry and harkA train to nowhere that we are riding
We're riding over and over again
A train to nowhereAnd we are gliding
A way that never may happen again
A train to nowhereWhy don't you believe in your heart?
Why don't you agree to say sorry and harkA train to nowhere that we are riding
We're riding over and over again
A train to nowhereAnd we are gliding
A way that never may happen again
A train to nowhere
