

Journey

Black Uhuru

Trodding the other day
On journey so far away to make a
living to see what I could achieve
I saw city state
Places of all human races
They are standing in front of I and I
Working scientific
advancement to corrupt the mind
Babylon in their little way Thinking of all the benefits there of
I and I humble lion chant Mount Zion
I am at a pace
Why you scrabbing my face
Some must see they can earn
Cause I and I Black Uhuru
stand fine burn Brimstone burn brimstone burn Trodding the other day on a
journey so far away away
