I Know You By Heart

Jacob Moon

Midnight in winter
The glowing fire
Lights up your face in orange and gold

I see your sweet smile
Shine through the darkness
It's light is etched in my memory

So I know you by heart

Mornings in April
Sharing the secrets
we'd walk until the morning was gone

We were like children
Laughing for hours
The joy you gave me lives on and on

cause I know you by heart

I still hear your voice
On warm summer nights
Whispering like the wind

You left in Autumn
The leaves were turnin
I walked down roads of orange and gold

I saw your sweet smile
I heard your laughter
you're still beside me, here everyday

cause I know you by heart

cause I know you by heart
