

# My Love Is Over

Jean-roch

Hey you  
I put my name on you (you)  
Then you,  
You put my heart in blue,  
Just for you (you)  
Regret I had a few (few)  
Trust me  
I gave my life to you...

Oh now I can live without you  
my love is over (2x)

Oh now I can smile over you  
My love is over (2x)

I cried a lot,  
I prayed in the name of my love  
My love is over (2x)

I cried a lot,  
I prayed in the name of love  
My love is over (2x)

But now it's over...

They say  
Whatever you wanna say (say)  
You are allowed to blame  
Hey hey you you  
You're not right but it's ok (hey)  
I'll make it anyway...
