

Heart in My Hand

Austin Mahone

YeahWell, let's go back to the day
When I saw your face
For the very first time
Well let's go back again
When I held your hand
And stared into your eyes'Cause I knew you were the one
With you my life has just begun
Baby, you can count on me'Cause your heart is in my hand
'Cause your heart is in my hand
Oh whoa-oh oh oh
YeahWell let's go back in time
Always knew that you'd be mine
And I'm never gonna find someone as beautiful as you, girl
Got my hands right on your waist
Look in your eyes, kiss your lips, touch up on your face
I can't forget the way I feel you smile'Cause I knew you were the one
With you my life has just begun
Baby, you can count on me'Cause your heart is in my hand
'Cause your heart is in my hand
Ooh yeah
