

We Are the Sinners (Club Edit)

Suicide Commando

State execution led to the chair we are the blameless living in despair marched to the white room taken your rights final request denied it's time for you to die circuitry meltdown you'll die in pain electrocution 2000V down your brain no one to save you no one will care guilty or innocent we'll take you down the chair we are the sinners the sinners of democracy we ask forgiveness the innocent will not be freed we are the sinners the leaders of hypocrisy we ask forgiveness but justice will prevail state execution led to the chair we are the blameless living in despair marched to the white room taken your rights final request denied it's time for you to die we are the sinners the sinners of democracy we ask forgiveness the innocent will not be freed we are the sinners the leaders of hypocrisy we ask forgiveness but justice will prevail we are the sinners we ask for forgiveness we are the sinners we ask forgi
