Take a Walk On Water

Brian Dolzani

Look around find a place where nobody's been to
Leave behind all the things everything you're used to
Today's a day like every day and you can make it better

Take a walk on water
Leave the solid ground
Take a walk on water
Just don't look down don't look down

Find a girl catch her eye ask her if she wants to
Meet a boy who would love to get to know you
Yes or no either way you're walkin' now

Take a walk on water
Leave the solid ground
Take a walk on water
Don't look down don't look down
Take a walk on water
It can get you high
Take a walk on water
Feelin' high feelin' high

You're finding out it's real
No matter how you feel
and it's all right it's all right
It comes out right find a light
Everything will be all right
