

# Its Not Over Yet (Brodinski remix)

## Klaxons

I live for you  
I die for you  
Do what you want me to  
I cry for you, my tears will show that I can't let you go  
It's not over, not over, not over, not over yet  
You still want me don't you?  
It's not over, not over, not over, not over yet  
Cause I can see through you  
It's not over, not over, not over, not over yet  
You still want me don't you?  
It's not over, not over, not over, not over yet  
Don't let me down, don't make a sound  
Don't throw it all away  
Remember me so tenderly  
Don't let it slip away  
It's not over, not over, not over, not over yet  
You still want me don't you?  
It's not over, not over, not over, not over yet  
Cause I can see through you  
It's not over, not over, not over, not over yet  
You still want me don't you?  
It's not over, not over, not over, not over yet
