

Come Undone (feat. Jessie James)

My Darkest Days

Mine, immaculate dream,
Made of breath and skin,
I've been waiting for you,
Signed with a whole tattoo,
Happy birthday to you,
Was created for you.(Girl)
I can't help but keep from falling apart,
At the seams,
I cannot believe their taking my heart,
Into piecesOhh it might take a little time,
Might take a little crime,
To come undone,
Now we'll try,
To stay blind,
To the hope and fear outside,
Hey child, stay wilder than the wind, can blow me in,To crime,
Who do you need,
Who do you love,
When you come undone.
Who do you need,
Who do you love,
When you come undone.Words,
Play me deja vu,
Like a radio tune,
I swear I've heard before,
She'll,
Resist something real,
Or the magic I'm feeding,
Off your fingers.(Girl)
I can't help but keep from falling apart,
At the seams,
I cannot believe their taking my heart,
Into piecesLost,
In a self filled sky,
Might make it alright,
To come undone,
Now, we'll try,
To stay blind,
To the hope and fear outside,

Hey child, stay wilder than the wind, can blow me in, To crime,
Who do you need,
Who do you love,
When you come undone.
Who do you need,
Who do you love,
When you come undone. (Girl)
I can't help but keep from falling apart, (apartt)
At the seams, (who do you need)
I cannot believe their taking my heart, (who do you love)
Into pieces
I can't help but keep from falling apart,
At the seams, (who do you love)
I cannot believe their taking my heart into pieces (when you come undone)
