

Forever Young Is Getting Old

[Jason Collett](#)

Someone's written in stones
on your bathroom wall
In your country home
Susan, tons of old
Little you collected from
Little antique stores where Forever young is getting old
Still restless, well, wouldn't you know
It was easy come and easy go
Now there's no easy roll Still reckless and it's not
More than it could be so
Easy finding my way to your door Forever young is getting old
Still restless, well, wouldn't you know
It was easy come and easy go
Now there's no easy roll
