Over and Over

Casey Darnell

At the edge of the water
With my back to the sea
At the end of my own strength
Facing my enemies
When I'm all out of answers
Out of my comfort zone
I could swim in my own fear
Or let you take control
I'm trusting in you
You always come through
You prove it to me over, over, and over
Jesus it's you
You always come trough
You prove it to me over, over
Over, and over again
When I'm thrown in the fire
And I barely can breathe
The only thing that will burn up
Are the ropes holding me
When all I've got are questions
(All these questions)
And the promises made
(And the promises made)
Well, I will choose to believe that
(I believe)
You are the only way
I'm trusting in you
You always come through
You prove it to me over, over, and over
Jesus it's you
You always come trough
You prove it to me over, over
Over, and over again
And again, and again, and again
And again, and again
At the edge of the water
With my back to the sea
I know I'm not here on my own strength (No, no)
You are right here with me

I'm trusting in you
You always come through
You prove it to me over, over, and over
Jesus it's you
You always come trough
You prove it to me over
Over, and over
That's just what you do
You always come through
You prove it to me over, over, and over
Jesus it's you
You prove it to me over, over
Over, and over again
And over again
