

# Running

## No Doubt

Run, running all the time  
Running to the future  
With you right by my side Me, I'm the one you chose  
Out of all the people  
You wanted me the most And I'm so sorry that I've fallen  
Help me up, lets keep on running  
Don't let me fall out of love Running, running, as fast as we can  
(As fast as we can)  
Do you think you'll make it?  
(Do you think we'll make it?)  
We're running, keep holding my hand  
It's so we don't get separated Be, be the one I need  
Be the one I trust most  
Don't stop inspiring me Sometimes it's hard to keep on running  
We work so much to keep it going  
Don't make me want to give up Running, running, as fast as we can  
(As fast as we can)  
I really hope you'll make it  
(Do you think we'll make it?)  
We're running, keep holding my hand  
It's so we don't get separated Running, as fast as we can  
(As fast as we can)  
I really hope you'll make it  
(Do you think we'll make it?)  
We're running, keep holding my hand  
It's so we don't get separated And the future Running, running, as fast as we can  
(As fast as we can)  
Do you think you'll make it?  
(Do you think we'll make it?)  
We're running, keep holding my hand  
It's so we don't get separated Running, as fast as we can  
(As fast as we can)  
I really hope you'll make it  
(Do you think we'll make it?)  
We're running, running keep holding my hand  
It's so we don't get separated
