

King Of Lullaby

Eiffel 65

Dreams, Truth Or Belief, I See A Man
Sleep On The Street With Golden Clothes, Oh Oh Oh
I, Run Standing Still, I Hear A Melody
As It Fades In A Dream...
Whoa Whoa Whoa
You, King Of Lullaby, A Dream Inside My Mind
King Of Nothing, But You Give A Smile
You, King Of Lullaby, The World Is Yours At Night
King Of Magic, But In The End, King Of Lullaby
Dreams, Inside My Dreams, I Speak A Language
That I've Never Known Before

I Can Float On Air, As The Sweet Melody
Is Opening The Door...
Whoa Whoa Whoa
You, King Of Lullaby, A Dream Inside My Mind
King Of Nothing, But You Give A Smile
You, King Of Lullaby, The World Is Yours At Night
King Of Magic, But In The End, King Of Lullaby
Whoa Whoa Whoa
You, King Of Lullaby, A Dream Inside My Mind
King Of Nothing, But You Give A Smile
You, King Of Lullaby, The World Is Yours At Night
King Of Magic, But In The End, King Of Lullaby
