Party (feels So Fine)

Human Nature

We're gonna have a party
Let's have a party
Come on people, grab somebody
Everybody's on the floor, got the groove 2 on 4
So come on take me, 'cause I've been waiting
For this party to arrive, so won't somebody shut the light
Lover here for every kind
Everybody's satisfied
Livin' every moment 'cause it feels so fine
We're gonna have a party, everybody party
Let's have a party, everybody party
We're gonna have a party, everybody party
Let's have a party, 'til the break of dawn
Everybody gather round now
Human Nature 'bout to play, all the ladies gonna stay
So come on down now, we got it goin'
Well this night ain't gonna die 'cause everybody's feelin' fine
Lover here for every kind
Everybody's satisfied
Livin' every moment 'cause it feels so fine
We're gonna have a party, everybody party
Let's have a party, everybody party
We're gonna have a party, everybody party
Let's have a party, 'til the break of dawn
Everybody's gonna feel so fine, ya gotta check the beat
Everybody's gonna feel so fine, ya gotta check the beat
It's gettin' early, nobody sleeping
I ain't a workin' 9 to 5, that kind of thing it just ain't right
So party people, gather round now
'Cause I got something to say - and this party's here to stay
We're gonna have a party, everybody party
Let's have a party, everybody party
We're gonna have a party, everybody party
Let's have a party, 'til the break of dawn
There ain't no other I'd rather be lovin' with baby
Down on the floor is the place I'll be doin' ya baby
