

# I'm Glad There Is You

**Jamie Cullum**

Said I many times, love is illusion  
A feeling result of confusion  
With knowing smile and blase sigh  
A cynical so and so was I feel so sure, so positive  
So utterly unchangeably certain  
That I never was aware of loving you  
'Til I suddenly realized there was love in you and oh In this world of ordinary people  
Extraordinary people, I'm glad there is you  
In this world of overrated pleasures  
And underrated treasures, I'm glad there is you I live to love  
I love to live with you beside me  
This role, so new I'll muddle through with you  
If you'll guide me through In this world where many many play at love  
And hardly any stay in love, I'm glad there is you  
More than ever, I'm glad there is you  
Said I many times, love is illusion
