The One Who Left Me

The School

- I tried, but it wasn't enough
- Really tried, but it just wasn't enough
- And now he's with somebody new
- But I still hear him call my name-- He's the one who left me, yeah
- He's the one who left me, yeah
- He broke my heart and now he's back
- But I just haven't the time
- For the one who left me
-- He's the one who left me, yeah
- He's the one who left me, yeah
- He broke my heart and I almost died
- But I just haven't the time
- For the one who left me-- Well he said that he would always be true
- and he'd never let me go
- How could I have ever been so foolish back then, yeah
-- Well he said that we would always stay
- and he'd never ever leave
- But when I got home one day all his things were gone
- Gone gone gone gone
