

Dear Love of Mine

[Daniel Spaleniak](#)

I'm sitting down.
Sitting down in my home.
Dear love of mine.
Please come here alone.
How many nights?
We were burning so.
Dear love of mine, please don't go so slow. Its midnight now
Shes on the phone
You don't know why but we're like a stone.
Cold, different, changed
Once she loved you so.
She will hate you now
When it's time to go
And now she is gone
Sit back and close the door
She said now Im done
And now shes with someone
Now where shes gone
There no turn back (unclear lyric)
And now all alone
Drinking on my own
