

# Nookie

## Limp Bizkit

I came into this world as a reject  
Look into these eyes then you'll  
See the size of the flames (the size of the)  
Dwellin' on the past (past)  
It's burnin' in my brain (hot)  
Everyone that burns has to learn from the pain  
Hey I think about the day (days)  
My girlie ran away with my pay  
When fella's came to (play) play  
Play now she's stuck with my homeez that she fucked (ooh)  
And i'm just a sucker with a lump in my

Throat (hey)  
Like a chump (hey)  
Like a chump (hey)  
Like a chump (hey)  
Like a chump (hey)  
Like a chump (hey)  
Like a chump (hey)  
Like a chump (hey)

Should i be feelin' bad (no)  
Should i be feelin' good (no)  
It's kinda sad i'm the laughing stock of the neighborhood  
Hey you would think that i'd be movin' on (movin')  
But i'm a sucker like i said  
Fucked up in the head not  
An' maybe she just made a mistake  
And i should give her a break  
My heart'll ache either way  
Hey what the hell what you want me to say  
I won't lie that i can't deny

(chorus) (2x)  
I did it all for the nookie (come on) the nookie (come on)  
So you can take that cookie and stick it up your (yeah)  
Stick it up your (yeah) stick it up your (yeah)  
Stick it up your

Why did it take so long

Why did i wait so long huh  
To figure it out but i didn't  
And i'm the only one underneath the sun who didn't get it  
I can't believe that i could be decieved (but you were)  
By my so-called girl but in reality  
Had a hidden agenda  
She put my tender heart in a blender  
And still i surrendered

(hey) like a chump (hey)  
Like a chump (hey)  
Like a chump (hey)  
Like a chump (hey)  
Like a chump (hey)  
Like a chump (hey)  
Like a chump

(chorus) (2x)

I did it all for the nookie (come on) the nookie (come on)  
So you can take that cookie and stick it up your (yeah)  
Stick it up your (yeah) stick it up your (yeah)  
Stick it up your

I'm only human. it's so easy for your friends to give you their advice

They'll tell you just let it go (let it go) it's easier said than done

(i appreciate it) i appreciate it i do but just leave me alone

(leave me alone) leave me alone (leave me alone) just leave me alone

And nothing's gonna change 'cause you can go away and i'm just gonna stay here and always be the same (3x)

(chorus) (2x)

I did it all for the nookie (come on) the nookie (come on)  
So you can take that cookie and stick it up your (yeah)  
Stick it up your (yeah) stick it up your (yeah)  
Stick it up your

I'm just gonna staaaaaaaaaayyyyyyyyyy
