Smooth Sailin

Leon Bridges

Over the horizon
She's smooth sailin'
These concrete seas
Now she's headed
East down the boule, the vardSugar
Said I like the way (Like the way)
Said I like the way (Like the way)
You sail your ship down
Let me be your cargoI won't wear you down
No honey I won't
Wear you downI don't really know
Her destination
But I got a feeling I
Get to be your passenger
Sugar let me be your passengerSugar
Said I like the way (Like the way)
Said I like the way (Like the way)
You sail your ship down
Let me be your cargoI won't wear you down
No honey I won't
Wear you downShe's smooth
Smooth sailin' (Smooth sailin' yeah)
She's smooth
Smooth, darlingSweet pretty baby
Won't you be my lady, oh
Sweet honey, darling
You know I'm calling
I want youSugar
Said I like the way (Like the way)
Said I like the way (Like the way)
You sail your ship down
Let me be your cargoI won't wear you down
No honey I won't
Wear you downShe's smooth
Smooth sailin' (Smooth sailin' yeah)
She's smooth, oh, darlingSweet pretty baby
Won't you be my lady, oh
Sweet honey, darling
You know I'm calling

I want youSugar
Said I like the way (Like the way)
Said I like the way (Like the way)
You sail your ship down
Let me be your cargoI won't wear you down
No honey I won'tWear you down
