Private Life

Grace Jones

Your private life drama, baby
Leave me out
Your private life drama, baby
Leave me outYour private life drama, baby
Leave me out
Your private life drama, baby
Leave me outJ'en ai marre with your theatrics
Your acting's a drag
It's okay on TV but you can turn it off
Your marriage is a tragedy but it's not my concern
I'm very superficial, I hate everything officialYour private life drama, baby
Leave me outPrivate life drama, private life
Private life drama, private life
