

Lovely

[ashleigh stone](#)

All the people in their fancy apartments

Lovely Lovely

Pay the bills and mow the lawn

Lovely Lovely

Brush their teeth put their pajamas on

Lovely Lovely

Then one day we'll know

Then one day we'll grow

Then one day we'll know

Then one day we'll grow

All the people in their fancy apartments

Are not so lovely

Lovely

And while they pay the bills and they mow the lawn

We're busy being lovely

Lovely

And while they brush their teeth put their pajamas on

We're busy being lovely

Lovely

Then one day we'll know

Then one day we'll grow

Then one day we'll know

Then one day we'll grow

Lovely

Lovely

Lovely
