

# Chapel of Ghouls

## Morbid Angel

Ghouls attack the church  
Crush the holy priest  
Turning the cross towards hell  
Writhe in [sings "with"]satan's flamesCrush the priest  
The feeble churchDead - your god is dead  
Fools - your god is dead  
Useless prayers of lies  
Behold satan's riseCrush the priest  
The feeble church  
The family of dog  
Lust upon my altarDemons attack with hate  
Satan in the fires of hell awaits  
Death against you all  
God hear my death call
