

# Gimmie Some

Dev

[Chorus:]

Gimmie love, gimmie love, gimmie  
Gimmie love, gimmie love, gimmie  
Gimmie some, gimmie some, gimmie  
Gimmie some, gimmie some, gimmie

Sh-show you how I want it  
So you can gimmie somethin'

Gimmie some, gimmie some, gimmie  
You can gimmie some, gimmie some, gimmie[Verse:]

Breathless impatience  
Grows with every moment  
Been waitin', countin'

One two three, one two three (2, 3)[Pre-Chorus:]

You're killin' me with just one look  
And you don't have to say a word  
With every little glance I'm hooked  
So I don't wanna hear it[Chorus:]

Gimmie love, gimmie love, gimmie  
Gimmie love, gimmie love, gimmie  
Gimmie some, gimmie some, gimmie  
Gimmie some, gimmie some, gimmie

Sh-show you how I want it  
So you can gimmie somethin'

Gimmie some, gimmie some, gimmie  
You can gimmie some, gimmie some, gimmie[Verse 2:]

My tensions, ambitions  
Fulfilled with every moment  
Together, we're counting

One two three, one two three (2, 3)[Pre-Chorus:]

You're killin' me with just one look  
And you don't have to say a word  
With every little glance I'm hooked  
So I don't wanna hear it[Chorus:]

Gimmie love, gimmie love, gimmie  
Gimmie love, gimmie love, gimmie  
Gimmie some, gimmie some, gimmie  
Gimmie some, gimmie some, gimmie

Sh-show you how I want it  
So you can gimmie somethin'

Gimmie some, gimmie some, gimmie  
You can gimmie some, gimmie some, gimmie
