

# Seduction

## ThalÃ-a

I can't help all my feelings of temptation

Every time you touch me

The way that you provoke me

I run away

Just gotta get away

Your kiss is pure Seduction

Your love is my addiction

Can't go back but I gotta let go

Your powerful desire

Has set my soul on fire

This world keeps turning, my heart keeps yearning

It's beating like a drum roll

You make me want to lose control

[Chorus]

My heart keeps racing

It won't slow down

I'm starting to get weak and I

Don't think I can take no more

Can't think straight

And I don't know what to do

I'm gonna lose my mind

'Cause all I do is think of you

'Cause all I do is think of you

Your Seduction's

A dangerous potion

Spreads like wild fire

All over every inch of me

There's no defense

Your love is too intense

I feel it in my body

You always keep on haunting me

Your Seduction's

A dangerous potion

Spreads like wild fire

All over every inch of me

There's no defense

Your love is too intense  
I can feel it "Your Seduction"

[Chorus]

Can't you see what your love is doing to me  
I can't breath, I can't sleep  
I don't know what to do  
You took my heart and my soul  
Got no choice  
I'm so in love with you  
I think I'm losing my mind

Your Seduction's  
A dangerous potion  
Spreads like wild fire  
All over every inch of me  
There's no defense  
Your love is too intense  
I feel it in my body  
You always keep on haunting me

[Chorus / OUT]
