

Raven Black Raven

Chilblaine Winters

I've done things I'm not proud of
I've made bad decisions you know
I did something in the woods
Only raven black raven know

The grounds virgin dirt
Covered in Autumn leaves
All the yellows turned red
My bad decision bleeds

A gate closed above
A hole opened below
The dark cloudy day
I handed in my soul

IT'S A FEELING YOU'D NEVER SHAKE

SOMEBODY SCREAMS AS THE RAVEN TURNS FOR A DOUBLE TAKE

I've done things I'm not proud of
I've made bad decisions you know
I did something in the woods that day
Only raven black raven know

Grounds virgin dirt
littered with Autumn leaves
Even the yellows are red
As a bad decision still bleeds

A gate closed above
While a hole opened below
The dark cloudy day
I handed in my soul

IT'S A FEELING YOU'D NEVER SHAKE

SOMEBODY SCREAMS AS THE RAVEN TURNS FOR A DOUBLE TAKE

I did something in the woods that day
Reserved my spot below

I did something in the woods
Only raven black raven know

IT'S A FEELING YOU'D NEVER SHAKE

SOMEBODY SCREAMS AS THE RAVEN TURNS FOR A DOUBLE TAKE

AS THE RAVEN TURNS FOR A DOUBLE TAKE

IT'S A FEELING YOU'D NEVER SHAKE

AS THE RAVEN TURNS FOR A DOUBLE TAKE
