

To Where You Are

Celtic Thunder

Who can say for certain
Maybe you're still here
I feel you all around me
Your memory's so clearDeep in the stillness
I can hear you speak
You're still an inspiration
Can it be
That you are mine
Forever love
And you are watching over me from up aboveFly me up to where you are
Beyond the distant star
I wish upon tonight
To see you smile
If only for awhile to know you're there
A breath away's not far
To where you areAre you gently sleeping
Here inside my dream
And isn't faith believing
All power can't be seenAs my heart holds you
Just one beat away
I cherish all you gave me everyday
'Cause you are my
Forever love
Watching me from up aboveAnd I believe
That angels breathe
And that love will live on and never leaveFly me up
To where you are
Beyond the distant star
I wish upon tonight
To see you smile
If only for awhile
To know you're there
A breath away's not far
To where you areI know you're there
A breath away's not far
To where you are
