

Just Like You

Falling In Reverse

Advisory - the following lyrics contain explicit language:

(Na na na na, na na na na, nanananananana)
I'm aware that I am an asshole
I really don't care about all of that though
(Na na na na, na na na na)
I got nothing to prove
(Na na na na, na na na na)
But honestly I'm just like you I've got a bad case of ADD (ah huh)
I've been this way since 17
I got a fucked up brain
And a really bad attitude
I blame it on my drug abuse So you don't want to be
Too close to me
Cause you might see my broken heart I'm aware that I am an asshole
I really don't care about all of that though
I'm living my life
The way that I want to
And you can't deny
That honestly I'm just like you
(Na na na na, na na na na, nanananananana)
Just like you
(Na na na na, na na na na, nanananananana)
Just like you I've so lonely for the longest time (ah huh)
They tell me that I'm such a loveable guy (yeah right)
Could it be because I'm off my meds?
Or could it be something I just said? You don't want to be
Too close to me
Cause you might see my broken heart I'm aware that I am an asshole
I really don't care about all of that though
I'm living my life
The way that I want to
And you can't deny
That honestly I'm just like you

(Na na na na, na na na na, nanananananana)

Just like you

(Na na na na, na na na na, nanananananana) And I'm always stuck with some bad luck

And I'm just a boy who's angry at his mom

And I hope infact she breaks her back

The moment I step on this crack And don't tell me I'm not worth it

Cause you are far from perfect I'm aware that you are all assholes

Who the hell cares about all of that though? I'm aware that I am an asshole

I really don't care about all of that though

I'm living my life

The way that I want to

And you can't deny

That honestly I'm just like you

(Na na na na, na na na na, nanananananana)
