

# Forget the Flowers

[Wilco](#)

You're tryin' my patience  
Try pink carnations  
Red roses and yellow daffodils  
Don't forget the flowers, someday  
I know you will  
Displays of affection  
And all good intentions  
Why don't you just send me the bill?  
Don't forget the flowers, someday  
I know you will  
Whether you've been takin' me  
Way too seriously, ooh  
I can't ever explain  
Why, I don't feel the pain, ooh  
I left you behind  
I know it's been a long time  
But I'm not over you  
Don't forget the flowers, someday  
I hope I do  
Tryin' my patience  
Try pink carnations  
Red roses and yellow daffodils  
Don't forget the flowers, someday  
I know I will  
Don't forget the flowers, someday  
I know I will
