

# Vaulted Ceilings

[Nora Petran](#)

You don't have to know me  
To know that you're lost  
Just know that I don't mind  
I don't mind  
And you don't have to see me  
To know that I'm right  
By your side  
Just know I will never leave you  
My child  
Follow me follow me  
If you have no place to go  
I will guide you home  
Follow me follow me  
If you're at the end of your road  
Just take my hand and never let go Your vaulted ceilings are  
Of no comparison to the sky  
Won't you let me show you out Follow me follow me  
If you have no place to go  
I will guide you home  
Follow me follow me  
If you're at the end of your road  
Just take my hand and never let go Be still and know  
I'd never leave you or forsake you  
Be still and know  
I'd never leave you I'd never leave you...
