

Running from the Cops

Masked Intruder

Everything is awesome when you're running from the cops.

Set some traps to stop them when you're running from the cops.

Seems like all I ever do is run, maybe I could stay.

Stay and hang around with you for a couple of days?Running. Running from the cops.

We're running. Running from the cops again.Freedom is on the line when you're running from the cops.

Always a good time when you're running from the cops.

Seems like all I ever do is run, maybe I could stay.

Stay and hang around with you for a couple of days?

Well, what do you say?
