

# Born to Die

## Lana Del Rey

(Why? Who, me? Why?)  
Feet don't fail me now  
Take me to the finish line  
Oh my heart it breaks, every step that I take  
But I'm hoping at the gates  
They'll tell me that you're mine  
Walking through the city streets  
Is it by mistake or design?  
I feel so alone on the Friday nights  
Can you make it feel like home  
If I tell you you're mine?  
It's like I told you, honey-Don't make me sad, don't make me cry  
Sometimes love is not enough and the road gets tough, I don't know why  
Keep making me laugh  
Let's go get high  
The road is long, we carry on  
Try to have fun in the meantimeCome and take a walk on the wild side  
Let me kiss you hard in the pouring rain  
You like your girls insane, so  
Choose your last words  
This is the last time  
'Cause you and I  
We were born to dieLost, but now I am found  
I can see, but once I was blind  
I was so confused as a little child  
Tryna take what I could get  
Scared that I couldn't find  
All the answers, honeyDon't make me sad, don't make me cry  
Sometimes love is not enough and the road gets tough, I don't know why  
Keep making me laugh,  
Let's go get high  
The road is long, we carry on  
Try to have fun in the meantimeCome and take a walk on the wild side  
Let me kiss you hard in the pouring rain  
You like your girls insane, so  
Choose your last words  
This is the last time  
'Cause you and I  
We were born to die

We were born to die  
We were born to die Come and take a walk on the wild side  
Let me kiss you hard in the pouring rain  
You like your girls insane, so Don't make me sad, don't make me cry  
Sometimes love is not enough and the road gets tough, I don't know why  
Keep making me laugh  
Let's go get high  
The road is long, we carry on  
Try to have fun in the meantime Come and take a walk on the wild side  
Let me kiss you hard in the pouring rain  
You like your girls insane, so  
Choose your last words  
This is the last time  
'Cause you and I  
We were born to die  
We were born to die  
(We were born to die)
