Never Run Away (string synth)

Kurt Vile

You had it on my day, you had on
You had it on my day
Each morning we marry,
It's just as almost gorgeous of days
I know you'll never run away
You met a young man who was a wild child
Who harmonize' his keys in his droning mind
Saxophone sings from inside his head 'causeI know you'll never run away
I know you'll never run away
I know you'll never run away
I know you'll never run awayI'm living all the time thanks 'cause your mine
You turn my dying days away
Each day we carry on like believers and lovers
Though there are others who would rather run awayHey, hey, hey, hey, hey, hey now
If you wanna' hear me sing press play
Hey, hey, hey, hey, hey, hey man
Pay, ay, ay, ay close attentionI know you'll never run away
I know you'll never run away
I know you'll never run away
I know you'll never run awayI'm holding you all night through to the dawn
You turn my dying days away
My steady style on how to love
Been taking dope to cope, have to come down, sometimesHey, hey, hey, hey, hey, hey, hey man
Hey, hey, hey, hey, hey, hey, hey man
Hey, hey, hey close to touching
Hey, hey, hey, hey, hey, hey, hey manI know you'll never run away
I know you'll never run away
I know you'll never run away
I know you'll never run awayI know you'll never run away
I know you'll never run away
I know you'll never run away
I know you'll never run awayYou had it on my day, you had on
You had it on my day
Each morning we marry,
It's just as almost gorgeous of days
I know you'll never run away
