

Parallels

Big Thief

Don't I make you feel alive?
Don't I give you a good home?
In a way, I know you're always by my side
But today I think I've always been a long way
One hand to keep you warm
One hand to hold my chin
To be inside your arms, it's all I'm asking
Caterpillar on the floor
Can you teach me to transform?
And I'll step right in and cocoon 'til I'm born
And I can't say that I'll miss my human form much
One hand to keep you warm
One hand to hold my chin
To be inside your arms, it's all I'm asking
I see all the parallels
