

Angel On My Shoulder (EDX Radio Edit)

Kaskade

It's time you see, the love you give
Is killing me, and I wanna live
This isn't right, search your soul for light So I turned and left, I told myself
I could be, as bad as someone else
But I find it hard, when an angel's on my right But you held my hand
And took me right back down to hell
I have an angel on my shoulder
But a devil in my hand But you held my hand
And took me right back down to hell
I have an angel on my shoulder
But a devil in my hand Won't you go, no means no
Your dirty life, is like a one man show
You're a night attack, you turn the light to black So I turned and left, I told myself
I could be, as bad as someone else
But I find it hard, when an angel's on my the right But you held my hand
And took me right back down to hell
I have an angel on my shoulder
But a devil in my head But you held my hand
And took me right back down to hell
I have an angel on my shoulder
But a devil in my hand Talk to me, walk with me
Come with me, beautiful lady
Beautiful lady
Will you come and save me?
Come to me (Come back here)
Walk with me (Come back here) But you held my hand
And took me right back down to hell
I have an angel on my shoulder
But a devil in my hand
(Come back here) But you held my hand
And took me right back down to hell
I have an angel on my shoulder
But a devil in my hand
(Come back here, come back here)
