

Teardrops On My Guitar (Pop Version)

Taylor Swift

Drew looks at me, I fake a smile so he won't see
That I want and I'm needing everything that we should be
I'll bet she's beautiful, that girl he talks about,
And she's got everything that I have to live without.

Drew talks to me, I laugh 'cause it's so damn funny
That I can't even see anyone when he's with me
He says he's so in love, he's finally got it right,
I wonder if he knows he's all I think about at night

He's the reason for the teardrops on my guitar
The only thing that keeps me wishing on a wishing star
He's the song in the car I keep singing, don't know why I do

Drew walks by me, can he tell that I can't breathe?
And there he goes, so perfectly,
The kind of flawless I wish I could be
She better hold him tight, give him all her love
Look in those beautiful eyes and know she's lucky 'cause

So I drive home alone.
As I turn out the light
I'll put his picture down
And maybe get some sleep tonight.

'Cause he's the reason for the teardrops on my guitar
The only one who's got enough of me to break my heart
He's the song in the car I keep singing, don't know why I do
He's the time taken up, but there's never enough
And he's all that I need to fall into.

Drew looks at me, I fake a smile so he won't see.
