

# Only Just Begun

Samantha Mumba

Can we be five years old forever, forever?  
Can we be five years old forever, forever? This is a song to the five year old me  
Little girl, weren't you so pretty?  
Big heart bigger than your worries  
So sure of what your life would be Yeah you came and you saw  
And you broke down the walls  
Yeah you came and you saw  
And you lost it all  
Sometimes you'll win  
Sometimes you'll lose  
Sometimes you'll break  
Sometimes you'll bruise  
Sometimes you'll give the best you've got  
Still you don't get what you want  
As I lay me down to sleep  
I hear a little voice in me say,  
We've only just begun  
Say, we've only just begun Years pass, tears crashed  
And the smile's washed away  
Bittersweet, you've become  
You can but can't escape And even though your rainbow has faded  
Nothing in this world ever changes  
You can either love it or hate it  
And you can either give it or take it  
Sometimes you'll win  
Sometimes you'll lose  
Sometimes you'll break  
Sometimes you'll bruise  
Sometimes you'll give the best you've got  
And you don't get what you want  
As I lay me down to sleep  
I hear a little voice in me say,  
We've only just begun  
Say, we've only just begun Can we be five years old forever, forever?  
Can we be five years old forever, forever?  
Can we be five years old forever, forever?  
Can we be five years old forever, forever? Sometimes you'll win  
Sometimes you'll lose  
Sometimes you'll break

Sometimes you'll bruise  
Sometimes you'll give the best you've got  
Still you don't get what you want  
As I lay me down to sleep  
I hear a little voice in me say,  
We've only just begun  
Say, we've only just begun  
Say, we've only just begun  
Say, we've only just begun
