

# All of Me (feat. Clare Bowen & Sam Palladio)

## Nashville Cast

Your touch, your touch is everything now  
I feel so much, it's taking me down  
Down, take me down  
We stand so close, electricity  
All of you fits so perfectly with me, take me now Your love is an earthquake underneath my feet  
Your kiss is just a taste of everything I need So close the door and throw away the key  
Baby, give me all of you  
And I will give you all of me  
All of me  
All of me Let's run, let's run under the covers  
You and me, runaway lovers  
Tell the world to stay away, stay away Your kiss is a taste that everything is right  
Your love is fire burning up the night So close the door and throw away the key  
Baby, give me all of you  
And I will give you all of me  
All of me  
All of me  
All of me  
All of me  
All of me Just one look and I can barely breathe  
I feel your golden eyes burning right through me So close the door and throw away the key  
Baby, give me all of you  
And I will give you all of me  
Now put your clothes I know what you need  
Baby, give me all of you  
And I will give you all of me  
All of me
