

# Cellophane

## Wondermints

Once upon a time  
Sunshine kept you wide awake  
Now that you're blind  
Hindsight, technicolor fade  
Roll over, is it over, why?  
Every shoulder- every shoulder you cry  
Safe cellophane, hide your face  
You're blue and you're colder  
Wait for tonight of pain  
Tell me when it's over  
Roped and tied  
I'll find something kind to say  
Well, hello, goodbye  
It's time to walk away  
Roll over, is it over, why?  
Every shoulder- every shoulder you cry  
Safe cellophane, hide your face  
You're blue and you're colder  
Wait for tonight of pain  
Tell me when it's over  
Safe cellophane, hide your face  
You're blue and you're colder  
Wait for tonight of pain  
Tell me when it's over  
Roll over, is it over, why?  
Every shoulder- every shoulder you cry  
Safe cellophane, hide your face  
You're blue and you're colder  
Wait for tonight of pain  
Tell me when it's over...
