As I watched tv vacantly
I had a strange dream
Woke up and saw the time
Tokyo, 7 p.m.Just to see you

I've been dressed up since morning
I want to be loved all night
Tokyo, 7 p.m.The restaurant
Where we were to meet
Had closed and disappeared
And I'm dying
From hunger
I wanna see you soon
I wanna see you soonTokyo at 7 p.m.
This glorious city
Is like a lie
I'm so lonely so I wanna see youTokyo, 7 p.m.
I truly love you
But I'm so lonely and I wanna see youA breeze hits me
As I open the taxi window
I'm rushing to see you
Tokyo, 7 p.m.Suddenly, an answering machine
Starts by itself
And talks all night
The tokyo night, mysteriousWaiting for the lights
At a crossing
You are always so kind
Today again
I'm a little late
I wanna see you soon
I wanna see you soonTokyo, 7 p.m.
But it's not christmas
I'm so lonely, so I wanna see youTokyo, 7 p.m.
I truly love you
I'm so lonely, and I wanna see you
