Beautiful, Beautiful

Francesca Battistelli

Don't know how it is You looked at me
And saw the person that I could be
Awakening my heart, breaking through the dark
Suddenly Your grace
Like sunlight burning at midnight
Making my life something so beautiful, beautiful
Mercy reaching to save me, all that I need
You are so beautiful, beautiful
Now there's a joy inside I can't contain
But even perfect days can end in rain
And though it's pouring down, I see You through the clouds
Shining on my face
Like sunlight burning at midnight
Making my life something so beautiful, beautiful
Mercy reaching to save me, all that I need
You are so beautiful, beautiful
I have come undone
But I have just begun
Changing by Your grace
Like sunlight burning at midnight
Making my life something so beautiful, beautiful
Mercy reaching to save me, all that I need
You are so beautiful
Like sunlight burning at midnight
Making my life something so beautiful, beautiful
Mercy reaching to save me, all that I need
You are so beautiful, beautiful
Beautiful, beautiful
