

Young Love

[Mary Hopkin](#)

They say for every boy and girl
There's just one love in this whole world
And I know I've found mine The heavenly touch of your embrace
Tells me no one could take your place
Ever in my heart Young love, first love
Filled with deep devotion
Young love, our love
We share with deep emotion Just one kiss from your sweet lips
Will tell me that our love is real
And I can feel that it's true For we will vow to one another
There will never be another
Love for you or for me Young love, first love
Filled with deep devotion
Young love, our love
We share with deep emotion Young love, first love
Filled with deep devotion
Young love, first love
Filled with deep devotion
