

# Don't Cry, Elena

## The Four Seasons

Don't Cry elena  
I'll come back to you  
I'll have such lonely nights  
Till this war is through  
Dont Cry Elena  
Try to understand  
Whatever happens now  
is guided by Gods handahhh hhh ahhh ahhThey say I haven't longed to live  
but they don't know  
My will is strong  
Because I love you so  
Don't Cry Elena  
Say a prayer for me  
I'd like to come back soon  
But that's not up to me.  
No thats not up to meDon't Cry  
Don't Cry  
\*extended\* Elena
