you make me crazy

Eako DJ

Fill me up to the top and take me away
To some little hidin' place in old Monterey
'Cause you, you make me crazy
Can't keep my hands off of you, can't leave you alone.
You've got the sweetest smile and a style of your own.
And you, mmm, you make me crazy.
Yeah, you, you make me crazy.
Oh well I don't wanna know about your past
Lets think of what we've got and make a good thing last
'Cause you, you make me crazy
Well you knock me out,
Oooh, but it feels all right.
You turn me on all day and.
You keep me up all night.
Oh, yeah.
Call all my friends to say, "I'm leavin' town"
Anytime my baby comes around.
And ooh, mmm, makes me crazy.
Well I'm crazy, crazy.
Crazy 'bout you baby.
I'm crazy, crazy, crazy
I'm crazy 'bout you baby.
I'm crazy 'bout my baby.
I'm crazy, crazy 'bout my baby.
'Cause you, you make me crazy.
I'm outta my mind.
You make me crazy.
Oh, this can't be right, no.
You make me crazy.
Got me up all night.
You make me crazy.
Crazy, crazy 'bout you baby.
You make me crazy.
Oh, it's so wrong, but it's all right, yeah.
You make me crazy.
Oh, baby
You make me crazy.
