## Suzie

## **Guano Apes**

Hello, my name is Suzie and I dream for a better, better glory god bless you and I bless you I'm angry why don't you squeeze me the stage is my home and I guess when I roam things could get out of my head god bless you and I leave you when the weather is hotSucker, yeah !Hello, my name is Suzie don't spit on that floor like a loony I'll bite you, so don't bite meI'm angry why don't you squeeze me the pain is my home and I guess when I roam things blow away my thoughts god bless you and I catch you when the weather is hotSucker, yeah !Hello, it's still Suzie ready to play what you like ready to say what you don't say immediately to do sports suffering a new holocaust don't hit me, you will miss me when the weather is hotSucker, yeah !Slide and winged all the memories sing with me this little irony You won't escapes from this reality let us do such a sport activity my time's too short I missed the mark and I can't remember why
