pretty boy you might be safe 'cause  
i like the way you try to sing  
but do your expect anyone to listen  
pretty boy you might be safe 'cause  
i like the way you aim to please  
so do expect anyone to listen to you  
when your voice is just as fuckin fakeso i'll stay away while i'm not opposed to you,  
you sort it out i'm getting by  
you're gonna freak what am i supposed to do you  
sort it out i'm getting bysilly boy you might be safe 'cause  
i like the way you aim to please  
but do you execpt anyone to listen to you  
when your voice is just a fuckin
