Narcolepsy (live)

[Ben Folds](#)

I should warn you
I go to sleep
I know you don't
Know what I mean
Yet
I get upset or happy
I go to sleepNothing hurts when
I go to sleep
But I'm not tired
I'm not tiredI know it seems that I don't care
But something in me does I swear
I don't remember all last year
I left you awake to cry the tearsWhile I was dreaming in the streams
Flowing between the shores
Of joy and sadness
I'm drowning
Save me
Wake me up
